

Cameron Intermediate School Grades 3-5

District Mission: Living to learn, Learning to live, and Leadership for living and learning

Dear C.I.S Families,

Welcome to Cameron Intermediate School and the 2015-2016 school year! This year is sure to be exciting with grades three and four joining the fifth grade at the current middle school building in the fall. Although we will begin the year in separate buildings, we will still share the same goals. We will continue to be a Professional Learning Community dedicated to student learning, collaboration and achievement. In addition to this, we will use our data to identify our student's needs and provide quality, engaging instruction preparing students to become lifelong, intentional learners.

I want to remind you of the importance of working together as a team to ensure your child has every opportunity for success. I encourage you to participate in your child's learning by checking back-packs, communicating with teachers, attending parent teacher conferences, ensuring your child is in attendance, and by asking them each and every day, "What did you learn today?"

I consider it a privilege and honor to work for the Cameron R-I District. Thank you for sharing your child with us, they are amazing individuals that make my job enjoyable and worthwhile. Please don't hesitate to contact me with questions, concerns, or praise that you may have.

Sincerely,

Laurie Mefford, Principal

BUILDING INFORMATION:

Location: Cameron Intermediate School

School District Website: www.cameron.k12.mo.us This website is a great way to check your child's grades, attendance, lunch menus and schedule of events through the PowerSchool parent portal. Students and parents may view educational information including individual assignments, overall grades and attendance by logging onto the PowerSchool website at <http://ps.cameron.k12.mo.us/public/>. This website serves as a valuable resource in staying current with pertinent educational information and can be used to access teachers email addresses for communication purposes. Call or visit the office during regular business hours to obtain a username and password to access PowerSchool. The site may also be used to check attendance and lunch balances too.

Office Hours: 7:00 AM-3:45 PM (or by appointment)

School Hours:

Upon arrival each morning, students are to report to the commons area where breakfast will be served. A bell will ring at 7:30 to signal students are released to their wings to be seated or take advantage of before school tutoring with their teacher(s). A second bell will ring at 7:46 signaling students to report to their homeroom. **Classes begin at 7:51 and end for the day at 2:57**; at which time walkers, car riders and bus riders are dismissed. School rules/policies are in effect en route to and from school.

After School Pick-Up: Please be aware of the traffic that is associated with after school pick-up at CIS. If you are sitting towards the front of the pick-up lane and you do not see your child, please pull off to the right if space is available or loop back around in an effort to not hold up traffic. Please remember that there is NO PARKING in the pick-up lane at any time. Bus traffic will have the right-of-way during this time so please be aware of where buses are at all times. Our goal is to make this time as safe as possible for everyone involved. Your patience is greatly appreciated.

Disclaimer: The rules and regulations you are about to read are in addition to our broad, discretionary authority to maintain safety, order and discipline inside of the school zone. These rules support, but do not limit, our authority.

ABSENTEE/ ATTENDANCE/TARDY PROCEDURES: Regular and punctual patterns of attendance will be expected of each student enrolled in the Cameron R-I Public Schools. The entire process of education requires a regular continuity of instruction, classroom participation, learning experiences and study in order to meet the district's student achievement goals. Research supports the fact that attendance is crucial to improving student achievement. At least one study identified attendance as the single greatest indicator of student achievement. Frequent absences of students from regular classroom learning experiences disrupt the continuity of the instructional process because the benefits of classroom instruction cannot be entirely regained.

Holding students and their parents/guardians responsible for attendance is part of the district's larger mission to train students to be productive citizens and employees. State law reflects the importance of regular attendance by establishing compulsory school attendance and charging the district to enforce that law. Attendance expectation will be that all students attend school 90% of the time. The district will not recognize excused/unexcused absences or vacations in implementation of this policy.

School begins promptly at 7:51. Any student who reports to class after the starting time is considered tardy and should report to the office for a tardy slip.

When a student is absent, we ask that the parent/guardian call the office (632-2185) by 8:30 a.m. If the parent does not call, the attendance secretary and/or Assistant Principal will attempt to make phone contact before sending the School Resource Officer to the home to verify the reason for the student being absent. Written notification will be sent to the parent/guardian of any student when that student reaches a **97%** attendance rating for the school year. Parents and the School Resource Officer will be notified when the student reaches a **95%** attendance rating for the year. Parents will also be asked to come in and meet with the School Resource Officer and Assistant Principal to explain the excessive absences. Once a student reaches a **93%** attendance rating for the year, the parent, School Resource Officer and local juvenile authorities will be notified. The student will then be required to stay for after school tutoring twice per week until otherwise noted. Mandatory summer school may also be initiated to avoid possible retention.

When the student returns to school after an absence he/she must provide the office with the reason for the absence, either through a parent/guardian phone call or note, or a doctor or dentist's note.

Any missed work must be made-up and successfully completed. **The student may have one day for each day missed to complete the make-up work. If your child is absent and you would like to pick up their homework please call the CIS office at 816-632-2185 by 10:00 a.m.** Please understand that it will take time for teachers to submit the work and appropriate books to the office when homework is requested.

ADMISSIONS: Students who are transferring from other schools should arrange to provide copies of their academic and health records (signing a release of records), as well as proof of residence within our district and custody/guardianship paperwork. All questions and concerns related to enrollment should be directed to the counselor's office.

CHILD CUSTODY: The district will release a student to either parent unless the district has a valid court order directing otherwise or unless the parent requesting release is only entitled to supervised visitation. If district staff have concerns about releasing the student to a parent, the student may be held while additional precautions are taken, including, but not limited to, verifying custody orders, contacting the other parent or contacting appropriate authorities. Any questions concerning these actions need to be directed to the principal.

EMERGENCY INFORMATION: In case of emergency, each student is required to have on file in the school office the following information.

1. Parent(s) or guardians(s) name(s).
2. Complete and up-to-date address.
3. Home phone and parent(s) work phone.
4. Emergency phone number of friend or relative. (Please be sure this person is aware you have given the number as an emergency number for the school and that it is someone who can be reached when you cannot.)
5. Physician's name and phone.
6. Medical alert information.

The school will maintain records on all students. Information included in these records may not be released without written parental consent. Please review the regulations of the Federal Education Rights and Privacy Act (F.E.R.P.A.) listed below.

F.E.R.P.A. the Family Educational Rights and Privacy Act, is a federal law whose purpose is to protect the rights and privacy interests of both parents and students with regards to students' educational records. School districts are required to notify parents and eligible students (18 years or older) of their specific rights under the Act. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

[NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901**

WITHDRAWALS: The parent of a student who is withdrawing during the school year should complete an application for withdrawal. Teachers and staff will summarize the student's progress and prepare the student's file for forwarding to his/her new school of enrollment.

ACADEMICS: CIS currently uses the following grading scale:

95-100	A	73-76	C
90-94	A-	70-72	C-

87-89	B+	67-69	D+
83-86	B	63-66	D
80-82	B-	60-62	D-
77-79	C+	0-59	F

REPORT CARDS: Report cards are sent home with each student at the mid-term of each quarter and following the completion of each 9-week grading period (quarter). Please review carefully your child’s progress and sign and return the bottom portion of the form. Weekly updates can be found by logging into PowerSchool.

Parent-teacher conferences are scheduled in the fall and again in the spring. Parent attendance at conferences is extremely important.

SPECIAL/EXPLORATORY CLASSES: CIS offers physical education, guidance, art, music, computers, and library. Classes are scheduled for 60 minutes each week with the exception of guidance.

Physical Education: Students will need to wear tennis shoes on gym days. Grades will be based on participation, progress, and fitness testing. Students will not be allowed to participate in physical education wearing sandals, boots, flip flops or shoes the teachers deems unsafe.

Guidance: This will be scheduled by the guidance counselor and will include whole group instruction. Grades will not be given but students are expected to participate.

Art: Grades will be based on participation and projects completed in class. Students will receive up to 4 participation points each class and projects will be evaluated using a rubric or scoring guide.

Music: In music, grades are based on effort and participation. Students must do their best work and take part in lessons each day.

Computers: Student grades are based on participation, keyboarding skills and created documents and presentations.

Library: Students will be given opportunities to return and check out library books during library. Students will also be taught research skills and standards addressed in the grade level English language arts curriculum. Grades will not be given but participation is required.

Students will visit the school library at least once a week. Students in 3rd through 5th grade may check out 2 books at a time. Every effort should be made to return books when they are due. Students will be allowed to check out more books only when the first 2 are returned. Students/parents will be charged for any unreturned or damaged books. C.I.S.is proud to continue using the Accelerated Reader (AR) program. The purpose is to help your child increase their independent reading level. Students may choose to read certain books that are worth points based on their reading level and take tests on the computer to check their comprehension. Students reaching their point goal will go on a picnic to the park in May. Student progress will be tracked throughout the year on the AR wall near the Library. The AR “Wall of Fame” will show the top student readers in the school. (Wall of Fame is reserved for students who are enrolled full-time equivalency in the Cameron R-I Schools). Open Library will continue this year on Monday and Thursday nights from 5:30 to 7:00. The start date of open library will be communicated to the parents and students after the school year gets started.

TITLE I SERVICES All students at CIS are eligible to receive supplemental academic help through the federal Title I program. This involves assistance in learning for students that are struggling with reading. Remedial assistance and RTI (Response to Intervention) time is embedded in the school day schedule for all grade levels. Intervention may be done in the classroom or by pulling small groups of students out of the classroom.

As participants of federal programs, the district provides complaint procedures for the 2015-2016 school year. The forms can be found at the following links:

NCLB Complaint Procedures can be found at <http://dese.mo.gov/sites/default/files/qs-fedcomp-Complaint-Procedures-adequate-information-final-2015.pdf> For your convenience, complaint procedures can also be found at the back of this handbook.

HOMEWORK POLICY: Students will be asked to read a minimum of 20 minutes each day Monday through Thursday. Homework in other subjects will be sent for practice and reinforcement as needed and is at the discretion of the teacher. Students who don't have their homework to turn in or have corrections completed will be asked to stay in for a portion of their recess and or attend a learning lunch to complete it.

Student's assignments will be recorded in their planner provided by the school. The planners will be sent home daily and will be used to communicate back and forth from school to home. Parents are expected to sign the planners prior to the students returning to school. Students are responsible for the planner and students will be charged \$3.00 for a replacement if lost.

To further increase the expectation that all homework/practice assignments are to be turned in on time to the teacher and acquire good work habits and self-discipline, students may be assigned a Z.A.P. (zeros aren't permitted) referral. Z.A.P referrals will be made by the teacher to the office and may result in an after school detention. Z.A.P. referrals will occur once a student has received 3 days of consecutive learning lunches and or missed recesses.

MANDATORY TUTORING and/or SUMMER SCHOOL: For any student that shows an average daily attendance below 90%, for the current school year, may be required to attend summer school based upon reasons pertaining to the excessive absences. For absences documented as medical reasons for absence, consideration will be given by the administration in regards to mandatory summer school attendance. Administrator's discretion will be used in evaluating the need for mandatory summer school based upon concern with a student's attendance.

For any student scoring in the D and F range in the four core areas (math, language arts, science and social studies), they will be required to attend mandatory tutoring sessions to ensure academic achievement gaps are being addressed. The grade letter of D will equate to at least 10 hours of tutoring in that content. The grade letter of F will equate to at least 20 hours of tutoring in that content. This procedure will be utilized on a quarterly basis. Specific skills and knowledge targets will be addressed during the tutoring sessions. If the student is not able to attend before or after school tutoring sessions, mandatory summer school will go into effect.

Mandatory summer school may also be initiated for the reason of promotion if the student has shown low levels of performance on building wide, comprehensive assessments including but not limited to Acuity and M.A.P. tests. This would include students scoring below the proficiency targets expected at their grade level.

PROMOTIONS AND RETENTIONS: Promotions and retentions are based on an evaluation of academic, physical, social, and emotional growth. The primary reasons for considering retention are: a) indifference or lack of effort on the part of a capable student, b) physical or social immaturity, and c) frequent or long absences.

Parents can assume their child will be promoted unless the alternative of retention has been discussed during the school year. Parents are encouraged to confer with the teachers on a regular basis.

READING IMPROVEMENT PLAN AND RETENTION REQUIREMENTS: At the end of the 3rd grade year, a Reading Improvement Plan will be developed for students reading below a 2.0 grade level. This plan will be used during the 4th grade year. At the end of the 4th grade year, those students on reading plans will be reassessed to determine if they meet promotion requirements (reading at or above 3rd grade level). **No 4th grade student reading below 3rd grade level at the end of summer school shall be promoted to a higher grade level.**

The procedure for those who do not qualify for promotion is as follows:

- At least 40 hours of reading instruction during summer school or with a private tutor.
- Students receiving reading services will be tested at the end of the summer. If they are still reading more than one grade level below their assigned level, they will not be promoted.
- A parent conference will be held to inform the parents of this decision.
- If parents desire to provide home tutoring for the remainder of the summer months, the school will delay the retention decision until a final post-assessment is completed before the start of the next school year. If the student is still reading more than one grade level below the assigned grade, the student will not be promoted to the next grade level.
- Reading Improvement Plans must be repeated as necessary through the sixth grade.
- Summer school may be mandated.
- At the end of sixth grade, a notation will be made on the permanent record of any student who is determined to be reading below the fifth grade level. This notation may be removed at any time the child reaches the appropriate reading level.
- Some students, such as those receiving certain special education services under an Individualized Education Plan or 504 Plan, may be exempted from these requirements.

DISCIPLINE/SAFETY: Our expectation is that we all conduct ourselves according to the following general principles. By so doing, we will be abiding by the Human Rights Statement and giving ourselves the greatest opportunity for educational success.

1. We do not hurt people (either physically or emotionally) or property (vandalism).
2. We show respect to teachers, administrators, para-professionals, (all personnel) and to fellow students.
3. We practice safety at all times.

4. We accept the responsibility of our education and are committed to being active participants in the educational process by, paying attention in class, following the rules of each classroom, completing all assignments, and giving our best effort at all times.

In our effort to instill these principles the following disciplinary policies and procedures have been formulated.

DISCIPLINE PLAN: All teachers will have a classroom discipline plan. Each teacher will make a copy of their classroom discipline plan available to each student’s parent(s) upon request.

When a student is referred to the office, the Cameron Intermediate Discipline Policy will be enforced. Any student who is serving after-school detention, in-school suspension or any assigned detentions must also be served before the student can participate in any after school activities.

Student Code of Conduct

The Student Code of Conduct is designed to foster student responsibility, respect for the rights of others, and to ensure the orderly operation of district schools. No code can be expected to list each and every offense which may result in the use of disciplinary action. However, it is the purpose of this code to list certain offenses which, if committed by a student, will result in the imposition of a certain disciplinary action. Any conduct not included herein, or an aggravated circumstance of any offense or action involving a combination of offenses may result in disciplinary consequences that extend beyond this code of conduct as determined by the principal, superintendent and/or Board of Education. In extraordinary circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not necessarily limited to, acts of students on district property, including playgrounds, parking lots and district transportation, or at a district activity, whether on or off district property. The district may also discipline students for off-campus conduct that negatively impacts the educational environment, to the extent allowed by law.

Academic Dishonesty

Cheating on tests, assignments, projects or similar activities; plagiarism; claiming credit for another person's work; fabrication of facts, sources or other supporting material; unauthorized collaboration; facilitating academic dishonesty; and other misconduct related to academics.

Office of Superintendent Safe Schools Act

This written communication is designed to provide information to you regarding the MISSOURI SAFE SCHOOLS ACT. A complete copy of the Safe Schools Act is available in the principal's office of each attendance center. These materials are available for your review during normal school day hours and regular office hours in the central office. The Cameron R-I School District shall adhere to the provisions of this legislation and shall modify district and building policies, procedures, and regulations in a timely manner. Each school building has its own discipline policy, which is provided in the student handbooks and may be accessed in the building's office during normal school day hours. Information regarding the safety and the reporting requirements of juvenile officers and school officers are listed in a brief summary below:

- * Assault against another person while on school property is a Class D felony.
- * School administrators are required to report acts of school violence, as well as any information from a disabled child's Individualized Education Program (IEP) that is related to demonstrated or potentially violent behavior to teachers and other employees with a need to know of such behavior. All school employees are to receive job-related instruction on dealing with acts of school violence, the disciplining of pupils with disabilities, and requirements for confidentiality.
- * School administrators must also report to law enforcement agencies certain crimes or acts that would constitute certain crimes if committed by an adult on school property. Those crimes are listed in the law.
- * If a student poses a threat to self or others, as evidenced by the prior conduct of such student, the administration may immediately remove the student from school.
- * Juvenile officers must notify the superintendent as soon as reasonably practical when information or a juvenile petition is filed alleging that a pupil committed one or more of the crimes listed in the law.
- * No school board is permitted to readmit or enroll a pupil that has been convicted or charged with certain crimes listed in the law.
- * At the time of registration by a student new to a school district, the student is to be accompanied by a parent or court-appointed legal guardian. That parent or legal guardian may be required to provide a sworn statement indicating whether the pupil has been expelled from school in Missouri or any state for weapons, alcohol, drugs, or willful infliction of injury to another person. A false statement will be charged as a Class B misdemeanor.
- * A transferring pupil's academic and disciplinary records must be sent to the pupil's new school within five business days after receiving the request.
- * Drug-free school zones are 2,000 feet from school property or any school bus.
- * The penalty for making a false bomb threat is a Class D felony.

Thank you for your attention to this important information. If you have any questions or concerns about the Safe Schools Act, district or building discipline policies, please contact your child's building principal for assistance.

Sincerely,

Dr. Matt Robinson
Superintendent of Schools

RULES FOR OUT OF SCHOOL SUSPENSION: Students that receive OSS as a consequence WILL NOT be allowed to attend any field trips during the same semester that they served the OSS consequence. Students who have been suspended out-of-school will not be permitted to be on school district property and will not be allowed to participate in or attend any school activities.

WEAPONS IN SCHOOL: The Board recognizes the importance of preserving a safe educational environment for students, employees, and patrons of the district. In order to maintain the safety of the educational community, the district will strictly enforce the necessary disciplinary consequences resulting from the use or possession of weapons on school grounds, buses, or at school activities.

A weapon is defined to mean one or more of the following:

1. A firearm as defined in 18 U.S.C. 921
2. Any device defined in 571.010, RSMo, including a blackjack, concealed firearm, firearm, firearm silencer, explosive weapon, gas gun, knife, knuckles, machine gun, projectile weapon, rifle, shotgun, spring gun, or switchblade knife.
3. A dangerous weapon as defined in 18 U.S.C. 930(g)(2).
4. All knives and any other instrument or device used or designed to be used to threaten or assault, whether for attack or defense.
5. Any object designed to look like or imitate a device as described in 1-4.

In accordance with federal and state law, any student who brings or possesses a firearm as defined in #1 or #2 above, on school property or at any school activity will be suspended from school for at least one (1) calendar year or expelled and will be referred to the appropriate legal authorities. The suspension or expulsion may be modified on a case-by-case basis, upon recommendation by the superintendent to the Board of Education. Students who use or possess weapons defined in #3, #4 and #5 and not otherwise included in #1 and #2, will also be subject to suspension and/or expulsion from school and may be referred to the appropriate legal authorities.

Students with disabilities who violate this policy will be disciplined in accordance with policy JGE. Such students with disabilities who possess a weapon, as defined as a “dangerous weapon” in 18 U.S.C. 930, at a school function, may be placed in an appropriate interim alternative educational setting for the same amount of time that students without disabilities would be subject to, but for no more than 45 calendar days.

TRANSPORTATION: Students whose residence is more than 1 mile from the school building are eligible for bus transportation. Any student that has an IEP, which states that the student requires special transportation to and from school, will be provided free transportation between home and the special education program facility. If you need assistance arranging bus transportation for your child, or have questions or comments, please call Don Gerber, manager of Durham Bus Co., at 632-2421

SCHOOL BUS ROUTE ASSIGNMENT GUIDELINES: School bus routes shall be based upon the permanent residences of eligible students. However, eligible students desiring transportation services to and from a location other than their permanent residence (alternate address) may be permitted to receive such services on a space-available, first-come, first-served basis. Transportation request forms shall be made available at the main office of each school building or on the school district’s website.

CRITERIA FOR APPROVAL

1. Eligibility will be based on a student’s permanent residence.
2. Space availability will be determined be granted to the student’s permanent residence first before space will be made available for an alternate address.
3. Best practices dictate that bus routes are set up with consistency and student safety in mind. Accordingly, all morning and afternoon assignments must be consistent.

For example:

- Picked up at parent’s house and dropped off at daycare Monday through Friday.
- Picked up at daycare and dropped off at grandparent’s house Monday through Friday.
- Picked up at mom’s house and dropped off at dad’s house Monday through Friday.

4. Morning and afternoon must remain the same all five days of the week. Because of the large number of students transported by the district, the days of the week cannot be broken up (i.e. Mon, Tues, Fri to one location and Wed, Thurs to another location). It is safest for the student to utilize consistent routing.

5. Students will be permitted to board assigned school buses only.

6. Any and all variations to the assigned schedule will require the parents to provide transportation.

Re-application

Parents are required to re-apply for ridership for their student each school year. If either the permanent residence or alternate address changes, both school and transportation offices should be notified as soon as possible so that appropriate arrangements may be made.

EXPECTATIONS FOR STUDENT CONDUCT WHILE ON BUSES: Students using district transportation should understand that they are under the jurisdiction of the school from the time they board the bus until they are deposited at school or at the stop nearest their home.

The school bus is an extension of the school and all school rules and regulations, which pertain to student conduct in the schools, are applicable to student conduct on the bus. The bus driver is in complete charge of the bus and students are expected to comply with his/her requests at all times. Students must be seated and are not permitted to change seats when the bus is in motion. Students must not, under any circumstances, extend any part of their bodies out of the bus windows and the windows are not to be lowered beyond the point indicated. Students whose behavior results in material damage to the bus will be held liable for monetary restitution.

DISCIPLINARY RESPONSES FOR STUDENT MISCONDUCT WHILE ON THE BUS: The school bus driver will be responsible for submitting a written referral of student misconduct to the bus manager. The bus manager will in turn contact the building principal. The building principal will have the authority to suspend a student from riding the bus after the student and parents have been informed.

CONSEQUENCES FOR BUS MISCONDUCT:

- First Offense: The student will be warned and the parent notified.
- Second Offense: The student will be suspended from the bus for (3) three days and the parent notified.
- Third Offense: The student will be suspended from the bus for (5) five days and the parent notified.
- Fourth Offense: The student will be suspended from the bus for (10) ten days and the parent notified.
- Fifth Offense: The student will be suspended from the bus for the remainder of the year.

A severe incident (fighting, vandalism, and possession of illegal or dangerous materials) may require immediate suspension ranging from one day to the remainder of the school year. All vandalism incidents will require restitution for the damaged property. In addition to possible suspension of bus privileges, students are subject to the applicable discipline consequences for any violation of school policy. (See Discipline Policies and Procedures).

SCHOOL VISITATION POLICY: Upon arriving, all visitors are asked to check in at the office and pick up a visitors pass. Parents bringing items for their children should leave those items at the office rather than taking them to the classroom. In an effort to support our district wellness policy, please DO NOT bring fast food items and soda pop to school for your child.

We have a policy of **NO STUDENT VISITATIONS**. No students from other schools are allowed to visit classes.

SEXUAL HARRASSMENT OF STUDENTS: Sexual harassment is strictly prohibited in the Cameron R-1 School District. See Board Policy AC for information regarding behavior that could constitute sexual harassment. Please contact Dr. Matt Robinson, Superintendent, at 816-632-2170 to report any concerns or complaints regarding sexual harassment.

VALUABLES: Common sense and consideration is the best guide in determining whether or not to bring personal possessions to school. The school administrators and staff cannot be responsible for valuables, which students bring to school. It is recommended that students leave all valuables at home. (i.e. MP3 players, IPODS, portable video systems, collector cards, toys, cell phones, etc.)

Cell phones can become an interruption to the educational process and are therefore strongly encouraged to be left at home. Phones that disrupt the teaching and learning process by going off or by being visible during the school day will be confiscated and will only be returned to the student’s parent. Please see the Cell Phone Possession/Use policy.

MSBA BOARD POLICY ON STUDENT DRESS (JFCA): The Board of Education recognizes the value of allowing individual student expression as well as the necessity of protecting student health and safety and maintaining an atmosphere conducive to education. Student dress code procedures must be designed with the goal of balancing these competing interests.

All dress code procedures will adhere to health and safety codes and comply with applicable law. Dress that materially disrupts the educational environment will be prohibited. No procedure will impose dress and grooming rules based on gender in violation of Title IX. District procedures will specifically define ambiguous terms, and examples will be provided when practicable.

DRESS EXPECTATIONS: The Board of Education expects student dress and grooming to be neat, clean and in good taste so that each student may share in promoting a positive, healthy, and safe atmosphere within the school district.

Student dress and grooming will be the responsibility of the individual and parents/guardians, within the following guidelines:

1. Dress and grooming will not disrupt the educational environment or constitute a threat to the health and safety of other students. All students must also wear appropriate shoes, boots or footwear at all times at school.
2. Class activities that present a concern for student safety may require the student to adjust hair and/or other clothing during the class period in the interest of maintaining safety standards. Proper athletic attire shall be worn in physical education class.
3. Printed words or pictures on clothing, accessories, or body tattoos that advertise, connote, or suggest drug, tobacco, alcohol, violence, sexual, gang-related, obscene, or profane matters are prohibited.
4. Clothing should be worn to cover the student’s shoulders, rear-end, breasts, and midriff areas. Clothing that is mesh, transparent, exposes undergarments, or with tears and/or holes in inappropriate regions shall not be worn. Sagging or inappropriately tight clothing is not permissible. All shorts and/or skirts shall be at minimum of a fingertip length. Students wearing leggings and/or yoga pants also need to wear an untucked shirt or skirt that reaches at least to their fingertips. Sleeping pants, pajamas, robes, and/or house slippers are not appropriate attire for school.

When in the judgment of the principal, a student’s appearance or mode of dress does not comply with the above criteria; the student will be required to make modifications.

If a student’s clothing or accessories fail to comply with these regulations, the student will be required to change or cover the clothing or accessory at issue, or to remove the accessory. A student may be sent home in order to do so. Similarly, a student whose personal appearance or grooming fails to comply with these regulations will be required to bring such personal appearance or grooming in to compliance by covering, changing or eliminating the problem. A student may be sent home in order to do so. Refusal to comply with the District’s dress code policy and these regulations will result in the student being prohibited from attending class until the student achieves compliance. Violations may result in detention, suspension, or other appropriate disciplinary action.

FOOD SERVICE/HEALTH & WELLNESS

Cafeteria/Breakfast/Lunch Procedures:

Breakfast	\$ 1.25	Adult Breakfast	\$1.50
Lunch	\$ 1.80	Adult Lunch	\$2.25
	<u>5 Days</u>	<u>10 Days</u>	<u>20 Days</u>
Student Lunch	\$9.00	\$18.00	\$36.00
Reduced Lunch	\$2.00	\$4.00	\$8.00
Student Breakfast	\$6.25	\$12.50	\$25.00
Reduced Breakfast	\$1.50	\$3.00	\$6.00

Breakfast is served daily from 7:15-7:45AM. It is important that if you want your child to participate in this benefit, that your child arrives at school early enough to do so, and still be on time to class. Your child will be expected to be in class prepared to start the day by 7:51.

We invite parents/grandparents/guardians to have lunch with their child. We request that you call or send a note that day please. The cafeteria prepares meals according to a count done at the start of each school day. Minors are not allowed to show up at school and eat lunch with students. An adult must accompany anyone joining a student for lunch. Due to food allergies we request that you do not share your food items with other students.

We use a debit card scanning system. You may make an initial deposit at Back to School Night in August if you wish. Your child will be kept informed of a low balance, and will be given an envelope for a deposit the next morning. We also encourage you to log on to PowerSchool weekly to check your child's balance. Deposits may be sent with your child in the morning. Deposits should be made in the morning during breakfast or given to the classroom teacher. No change will be given to students unless the payment is accompanied with a signed note from their parent indicating that change needs to be given. Students are responsible for the care of their card. The student's account will be charged \$2.00 if replacement is needed. A peanut butter sandwich/lunch meat sandwich and milk are offered should the negative balance continue for more than 3 days

Arrangements can be made for free and reduced priced meals with proper qualification. Applications are distributed at registration in August, but are also available at any time throughout the school year in the office by request. If you qualify for free lunch, there is no reason for you to make deposits to the account, unless your child would ever want an extra milk to drink.

HEALTH INFORMATION AND SERVICES: Our school nurse's office is located next to the main office. The school nurse is responsible for the maintenance of health records, routine health checks, parental contact concerning health teaching and vision screening, and care of minor injuries. Please be sure to contact the nurse if your child has any unusual health problems. Please call the nurse if your child is absent from school due to a communicable disease. Precautions may be taken to protect other children.

If a student becomes ill or injured, the nurse will decide if the student should return to class, rest in the nurses' office, or whether a parent or guardian should be called. A parent or guardian is contacted if the student has a temperature of 100 degrees or above, or if the student is vomiting.

It is absolutely necessary that the office/nurse have emergency phone numbers on the student information card. A parent or guardian should contact the nurse if a child has or develops any type of health problem. Students are to report any personal accidents to the nurse or principal's office.

If medicine, cough drops, etc. are brought to school, a parent or guardian must write a note explaining the medication. All medications will be kept in the nurse's office, NOT in the student's desk or locker. Tylenol or a non-aspirin substitute will be available to students in the nurse's office with a signed consent and release from the parent or guardian.

If any short-term prescription medication must be given at school it must be sent to school in the original bottle including child's name, name of medication, doctor's name and dosage/schedule of medication. Over the counter medication must also include a doctor's order per Missouri state guidelines. A written reason and permission for taking the medication by the parent should also be sent with the medication and doctor's order. All long-term medication (10 days or more) must have a school medication form (available in the nurse's office) completed by the physician and parent on file. A new form must be completed for each school year.

To attend a public school in Missouri, school age children must be properly immunized for diphtheria, polio, measles, and rubella or have a medical exemption on file at the school.

SCHOOL DISTRICT WELLNESS POLICY: The primary goals of the Cameron R-1 School District's wellness program are to promote student health, provide information on the importance of maintaining proper weight, facilitate student learning of lifelong healthy habits and increase student achievement. The following procedures will guide the implementation of the district wellness program.

NUTRITION GUIDELINES: The district designates the following nutrition guidelines, based on the Missouri Eat Smart Nutrition Guidelines, for foods and beverages served in schools during the school day. Food items need to comply with applicable federal regulations and state policies. Juice must be at least 50% juice. Recommended on three days of the week, snacks must meet the following standards: Fat not more than 35% from fat except for chesses, nuts, seeds and nut butters, sugar not more than 35% of weight from sugar except for fruit (without added sugar). Recommend 100% juice and milk.

The restriction of the sale of beverages, such as sports drinks and lemonade during the school day will not be restricted at the high

school level. No vending allowed during the school day at the elementary and intermediate school buildings.

MSSOURI EAT SMART GUIDELINES

- *No more than 35% of calories can come from fat (except for nuts, seeds and nut butters)
- *No more than 35% of weight can come from sugar except for fruit (without added sugar)
- *No more than 200 calories per unit
- *No carbonated beverages
- *Juice must be at least 10% real juice (prefer 100%)

RECESS POLICIES: A student well enough to attend school is considered well enough to participate in playground activities and will be expected to do so. Appropriate dress is required for inclement weather. Students will go outside for recess if the temperature or wind-chill is above 20 degrees. **When it is necessary for a student to be excused from playground activities or physical education, a written statement from a doctor must be sent to school, parent notes are not accepted.**

SCHOOL PARTIES: School parties will be held in the fall (Oct.) and the winter (Dec.) and will be planned and organized by PTSA volunteers. Students are not allowed to dress in costumes for the fall party, which is schedule for the same time as Halloween. The principal must approve all parties other than the above. Parties will take place during RTI times.

FIELD TRIPS: As part of the school program, students may be taken on educational trips requiring bus transportation. School personnel supervise all educational trips. On occasion, parents may be invited to attend a field trip. Any parents attending field trips with their student are asked to not bring siblings and are asked to abide by school rules refraining from tobacco, alcohol and inappropriate language. This is an extension of the classroom. Students are expected to ride the bus with their class to the field trip. If your child won't be returning to school, you may check them out with their teacher after the fieldtrip, but if checked out prior to 2:55, the student will be marked absent for the remainder of the day. Parent involvement on a trip may be limited and is at the discretion of the teachers and or administrator to allow attendance. Please check with your child's teacher if parents are able to attend a specific trip or not. The PTSA provides some funding for most field trips; however, we may ask for a small amount to assist in covering admission fees and/or transportation costs. Attending field trips is a privilege and students with poor attendance may be required to stay at school to work on skills missed during their absences. Students choosing not to control their behavior at school or follow school rules may not be allowed to go on field trips. Students on field trips are ambassadors of Cameron Intermediate School. Their very best behavior is expected.

SPECIAL SERVICES: All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Cameron R-1 School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation/intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Cameron R-1 School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Cameron R-1 School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Cameron R-1 School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at the Special Services Office at 423 N. Chestnut, Cameron, Missouri, Monday thru Friday from 8:00 a.m. to 3:00 p.m.

This notice will be provided in native languages as appropriate.
