## BUCKET FILLER PROGRAM

*Parkview Elementary will be promoting the national  
“Fill Your Bucket” Program for its THIRD YEAR!*

**What is Bucket Filling?** The overall goal of Bucket Filling is to promote kindness, safety and a positive learning environment to all students! Everyone has an invisible bucket—hurtful actions dip from our bucket while helpful actions fill our bucket up. Our goal is, again, to promote Bucket Filling!

### **How is Bucket Filling Promoted in the school?**

Every classroom has a bucket to fill.

**Daily:** Students say the Bucket Filler Pledge. Students have the opportunity to earn pompoms for filling buckets by doing kind and helpful things. Children can earn poms from any staff member at Parkview.

**Weekly:** One to two students from each classroom are recognized for excelling as a Bucket Filler by the classroom teacher on the last day of each week. Bucket Fillers of the week, dump their classroom buckets into their class bucket in the hall for the school to see. These students will also wear a Bucket Filler sticker and bring home a certificate.

**Monthly:** One Bucket Filler is chosen from each classroom to be recognized on the last Friday of each month. Bucket Fillers of the month will get to dump their classroom buckets, wear a Bucket Filler sticker, bring home a certificate, receive a prize and they will also have their picture taken for the Citizen Observer. We also have Bucket Filler assemblies once a month. Students have the opportunity to dump their classroom buckets into their grade level tubes!

**Yearly:** Two students from each class are recognized as “Bucket Filler of the Year” during our end of the year awards ceremony.

*The Bucket Filling Program has been a wonderful program addition to Parkview Elementary  
and we plan on using it for many years to come!!!*

We have been very grateful for the businesses that have donated in the past because they have really helped us make this program blossom! In order to keep this wonderful program fun and exciting, **Parkview Elementary is seeking continued sponsorship.**

**100% of donations used will go directly to the Bucket Filler Program at Parkview. Here are a few examples of how we may use the money for the upcoming school year:**

- Bucket Filling bracelets for ALL students – we will hand these out at the beginning of the year. ALL new students that move into the district would get one as well.
- Pompoms for the classroom teachers to hand out to Bucket Fillers.
- Bucket Filler stickers for the Bucket Fillers of the Week and Month to wear.
- Replace buckets in the classrooms and the halls that have been damaged.
- Incentives/Prizes to celebrate goals met throughout the year.
